SAPIENTIA EMTE MÉDIA TANSZÉK

ERDÉLYI AUDIOVIZUÁLIS ARCHÍVUM

beanbag animation studio

Registration

AlterEgo category

Create a character and present them using any animation technique. The following questions may help, but you do not need to answer all of them: What is their name? What physical characteristics do they have, and how could these be creatively represented? What do they do? What hobbies do they have? What do they like? What bothers them? What challenges do they face? Who are their friends or family members? Where do they usually spend their time? Do they have any special abilities or talents?
